Over please /

AVJhomes Property Maintenance are in a commanding position to provide you with trusted tradespeople due to our primary business in property letting. We provide a quality service to meet the demanding standards required by landlords and tenants alike and we know exactly the right tradespeople to provide those services..

So, now that we've done all the hard work in vetting and verifying the quality of workmanship, as well as their pricing, you can now benefit and relax, knowing you are getting the best people at the best possible price.

You Can Always Find Us

Many people like to meet with us to discuss their repair requirements face to face and they also appreciate the added reassurance of having the local permanent presence so they can always get hold of us if required .
